Dear Mom & Dad,

I was packing Diane's toys off the far back shelves in the rec room, and found Dad's Chess instructions. I don't know how they got way up there.

We've got a lot of things packed now, and today I did a lot of errands I needed to do before we leave. It's hard to believe we'll be there in a little

over a week! We just can't wait!
Mike is going to look for a
place to stay this weekend. He
wants something very cheap,
maybe just a room in someone's
house. He won't be there much,
and will keep the little black &
white TV.

Diane just got home from
school a little while ago and is
watching Koft Superstars and
eating Doritos. They are giving a
going away party for her next
week in school. She says she will
miss her friends, but is very
excited to be moving. She still
remembers Tiffany, and hopes
she'll see her.

How is Tommy doing? I'm
sorry he ate your dinner the
other night when I called, Mom.
Diane sure misses him.

See you soon.

Love,

Mary

P.S. Have a Happy Birthday, Mom
